GUEST MEDICAL REQUIREMENTS

For your pup's safety and for the health of all our guests, Little River requires that **all pets** visiting the Resort have paperwork on-hand indicating they are current on the following medical requirements:

Vaccinations:

- 1.) Rabies vaccine
- 2.) DHLPP combo vaccine
- 3.) Bordetella vaccine (injection or intranasal spray)

Fecal Test:

Guests must have a stool test for intestinal parasites that is *negative* within the *six months* prior to check-in. If a guest arrives to check in without documentation of a current fecal test, one will be arranged by the resort at a local vet for a fee of \$48. For all our guests' health, that pup can not be socialized, and a \$10 per day "scooping" fee will be assessed, until we receive a negative result. Please be sure your pet's fecal test is current!

A Note about Flea & Tick Prevention:

Since we are located in a rural setting, we **STRONGLY** recommend your pet be on a flea and tick preventative when visiting the Resort.

FIVE THINGS TO KNOW ABOUT CHECK-IN

- 1.) Check-ins occur **only during office hours and only with a reservation.**
- 2.) Remember to bring an updated copy of your pet's vet records. First time guests should also bring a copy of our Client/Pet Information Form (available to print on our website).
- 3.) Aside from certain foods, LRPR provides everything your pet needs to have a great vacation including laundered bedding. If you would like to send a few items from home, please be sure to **mark everything with your pet's first and last name in permanent marker.** To ensure their safety and comfort, please observe these guidelines:

What items may I bring?

- One machine washable bedding item
- One favorite toy
- Food/treats in sealable bag/container (just enough for visit, plus a little extra!)

What items should I leave at home?

- Food and water bowls
- Leashes and collars that buckle
- Scoops/measuring cups/can lids/spoons
- Food in its original bag (does not seal)

- 4.) We will call you a day or two before your arrival to begin Check-In. Check-in should be a conversation that helps ensure the best possible vacation for your pup! We will discuss their health and behavioral history, as well as instructions for this visit. Please be prepared to spend 10 minutes or so (longer for 1st visits) for the entire process.
- 5.) Your pup's going to have a great vacation! We'll be in touch if we have any questions. And feel free to call to check in. We'll always get back to you within 24 hours!

OFFICE HOURS

WE ARE OPEN TO CHECK-IN, CHECK-OUT AND SCHEDULE TOURS 7 DAYS A WEEK DURING THE FOLLOWING HOURS...

Monday - Friday	Saturday - Sunday
8:00 - 10:30 AM	9:00 - 11:30 AM
4:00 - 6:30 PM	3:00 - 5:30 PM

At LRPR, our guests' well-being always comes first!

In order to maintain a consistent and reliable schedule of play and naps for our visitors each day, **please honor the office hours posted.**

There is a \$25 fee for opening the Resort for check-ins or outs during off-hours. Any off-hours openings are available only in rare circumstances, are dependent on staffing at that time, and must be pre-arranged.

Holiday Closures & Modified Hours:

- The LRPR office is **closed** to the public on: Easter Sunday, July 4th, Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Day.
- The Resort is **open in the afternoon only** on Labor Day, Memorial Day, Martin Luther King Day, Presidents' Day, and Columbus Day and in the **morning only** on New Year's Eve.

- Note: Space is limited holidays and summer weekends (Memorial Day thru Labor Day) and a three-day minimum stay is required for any reservation that includes any of those dates.

FIVE THINGS TO KNOW ABOUT CHECK-OUT

- 1.) Check-outs occur **only during office hours and during the time-frame (AM or PM) you schedule at check-in.**
- 2.) Payment is due in full at check-out. LRPR accepts **cash and checks** (not credit cards).
- 3.) Your invoice will be for the number of calendar days your pet is scheduled to visit. If you schedule an **afternoon departure, there is a charge for that day.** There is no charge if you schedule a morning departure. There is a always a charge for arrival day (regardless of arrival time).

4.) We are holding a room and generating an invoice based on the number of days reserved. If you are returning early, Little River **MUST** have at **least 24 hours notice if you would like day(s) removed from your invoice.** Without 24 hours notice, your invoice will reflect the number of days you reserved at check-in. This also allows us to be sure your pet and all their belongings are clean and ready to go home!

5.) Our busy daily schedule usually provides more activity and exercise than most pets are used to. Instead of napping during the day like they might at home, they 're up and interested in what's going on around them throughout the day. When they go home, they will be ready to crash and get some extra rest. After a day or two of some extra zzz's, they should be back on their normal schedule!
